Assignment 1: Formal Letter Writing (15%)

You are a resident of Eco Impian Township, where recent months have seen a rise in security and safety concerns. In the public parking lots, there have been several incidents of car theft and vandalism, including broken windows, slashed tires, and stolen vehicle parts. This has caused distress and inconvenience to many residents.

Over the past few months, there have been alarming reports of drug dealing and substance abuse occurring near the children's playground and community centre within the neighbourhood. Residents have witnessed suspicious individuals frequently loitering around these areas, engaging in drug transactions during the day and late into the night. On one occasion, a parent reported seeing a young teenager being offered drugs by a group of adults near the playground, causing considerable distress among families who often bring their children to play there. This has also led to increased littering of drug paraphernalia like used needles and syringes, creating a hazardous environment. The community is fearful and reluctant to use their public spaces freely.

Despite previous verbal complaints to local authorities, no effective action has been taken, and the situation remains unresolved. You have decided to write a formal letter of complaint to the Town Council (like Majlis Perbandaran Melaka, Majlis Perbandaran Sepang or Dewan Bandaraya Kuala Lumpur) to raise these issues and request urgent and comprehensive measures to safeguard the community.

You may **invent any necessary information**. Your letter should be about **200 to 250 words**.

Dear Sir/Madam

Urgent Request for Action on Rising Security and Safety Concerns in Eco Impian Township

I write on behalf residents of Eco Impian Township to formally lodge complaint and request urgent action regarding the increasing security and safety concerns in our neighbourhood. Despite several verbal complaints made earlier to local authorities, no effective measures have yet been taken to address these issues.

In recent months, there have been multiple incidents of car theft and vandalism in the public parking lots, including slashed tires, broken window, and stolen vehicle parts. More disturbingly, there have also been frequent reports of drug dealing and substance abuse occurring near the children playground and community centre. Residents have witnessed suspicious individuals loitering and engaging in drug transactions during both day and late night. On one occasion, a parent reported that a teenager was offered drugs by adults near the playground.

Instructions: Write the formal letter on the space given below.

Name: Law Jie Po

ID: 243DT245TU

This situation has caused great fear among families, and many parents are now reluctant to allow their children to use public facilities. The littering of hazardous drug paraphernalia such as needles and syringes has further worsened the environment, putting residents at risk.

We strongly urge the council to take immediate and comprehensive measures, such as increasing police patrols, installing CCTV cameras, and enforcing stricter monitoring of these areas. We kindly request your urgent attention and response within 14 days to ensure the safety and well-being of our community.

Thanks for your understanding and cooperation. We look forward to your prompt action.

Yours faithfully

Law Jie Po

Resident Representative

Eco Impian Township
